

## ☀️ Exciting Faculty Opportunity in Food Science at the University of Arizona! ☀️

The School of Nutritional Sciences and Wellness (NSW) at the University of Arizona is seeking an **Assistant/Associate Professor of Practice** to lead and inspire students in **food science, fermentation science, and product development!** This 9-month, full-time, non-tenure-eligible position focuses on **teaching excellence**, with opportunities to develop and deliver innovative courses in areas like food processing, sensory evaluation, food and beverage fermentation, and food regulation and labeling.

Join a university recognized for its **research excellence and innovative work-life programs**, located in the vibrant, culturally rich city of Tucson, Arizona. At UA, you'll find a supportive academic environment, access to cutting-edge facilities, and the opportunity to collaborate on community-focused initiatives in food science and fermentation.

With outstanding benefits and a commitment to professional growth, the University of Arizona is the perfect place to make a lasting impact on the next generation of food scientists. If you're passionate about teaching, mentorship, and advancing the field of food science, apply today and join us in shaping the future of the industry! 🚀

**Submit applications by January 24, 2025:**
